MINNESOTA BULLETIN NO. 260-7-23

SUBJECT: INF – WETLAND NEWS RELEASE

Purpose. To distribute a news release related to the wetland compliance provisions (Swampbuster).

Expiration Date. September 30, 2007.

At the request of the MASWCD this bulletin distributes a news release which explains the Swampbuster wetland provisions and the requirements for compliance by USDA program participants.

It is suggested that counties provide this information to local news outlets and consider publishing it in county USDA newsletters. When released to a local news outlet the information should list the District Conservationist as a follow-up contact for additional information.

Questions on wetland functions and values, Swampbuster provisions and the information in this bulletin should be directed to your regional wetland specialist.
